>According to https://docs.google.com/document ███████ libgen didn't use torrents in the end. **Redacted - Privilege**
Redacted - Privilege

Jelmer Van Der Linde (1/05/2024 03:06:48 PST):
>On the other hand, code references using torrents for libgen and the torrent related code is newer than the direct download one. So that to me does indicate Nikolay did torrent it in the end:
